About College

C. H. Chaudhari Arts, S. G. Patel Commerce & B.B.J. Patel Science College has been founded by the great visionary social worker, scholar and freedom fighter Prin. G. H. Mahajan under the auspices of the A. S. Mandal's Arts commerce College Trust in 1971. The vision and

mission of the college has been to take education to the grassroots and change the socio-economic scenario of this mofussil area which was at the bottom of Human Development Index.

The college is situated at a small mofussil town of Taloda. The town is mostly dependent on agriculture as its mainstay. The college is situated in North western part of Maharashtra adjacent to Gujarat and Madhya Pradesh borders. The river Tapi flows from west to east at the south of the town and the Satpuda mountain ranges stand splendidly on the Northern side.

The college is surrounded by small undeveloped villages populated by the poor and socio-economically backward people. The students of the college mostly come from the town and the neighboring as well as some very distant villages and hamlets in the district.

The college was founded and developed in the most adverse conditions. It has grown and progressed despite many difficulties and scarcity of resources. However, presently the college has very good infrastructure spread over 4.20 acres of campus. We have very spacious classrooms, well equipped laboratories and a very rich library. The college trust management has always tried to provide the best possible academic and infrastructural facilities to bring about the holistic development of the students.

The college is a grant-in-aid co-education institution affiliated to K.B.C. N.M. University, Jalgaon. It was earlier affiliated to the reputed university of Poona. It is imparting education in Arts, commerce and science and is running 3 UG and 3 PG courses on self-financed basis. The distinctive feature of the college is that it has been imparting education to the poor, rural, tribal underprivileged youths of the area and has been instrumental in changing the socio-economic scenario of the area.

PROGRAMS OFFERED:

Arts	
UG	PG
B.A. (English)	M.A. (Hindi) self Finance
B.A. (Marathi)	
B.A. (Politics)
