## Teachers' Feedback Report

### Academic Year 2022-23

#### Teachers' Feedback Mechanism

The institution has established a system of collecting feedback from the teachers once in a year. The feedback is collected online from each teacher through a built in feedback form. Teachers will respond to the structured questionnaire on certain key elements, such as, communication, subject knowledge, behaviour, ICT usage, teaching methodology etc., Feedback is considered only if a minimum of 80-90 % teachers participate in the feedback session. Almost all questions are asked on five-point Likert scale basis, 0 showing minimum and 4 showing maximum i.e. Strongly Disagree, Disagree, Neither Agree nor Disagree, Agree and Strongly Agree. Performance on any parameter and on overall level performance is evaluated as follows:

Average Score	0- .80	0.81 to 1.60	1.61 to 2.40	2.41 to 3.20	3.21 -4.00
Performance	Poor	Fair	Good	Very Good	Excellent

As the feedback is collected on five point Likert scale a generally accepted threshold ratio of 80% is expected on overall level, means on overall 20 parameters if average score comes to 80% of maximum score of 4 i.e. 3.2 in our case , it will assume that the college is successfully met students' expectation.

For deciding the urgency of interventions to be required to take following cut off ratios are used.

Average Score	Up to 1.60	1.61 to 2.40	2.41 to 3.20	3.21 -4.00
Intervention Required	Immediate Intervention Required	Midterm Intervention Required	Long Term Intervention Required	Maintenance Required
